

## Oven Baked Tacos

### Ingredients:

Shredded pork/chicken  
(OR ground beef/turkey/chicken)  
Taco seasoning  
Diced onion & green pepper, opt  
Frozen corn, cooked and drained  
Sliced black olives  
Refried beans  
Shredded Mexican-blend cheese  
Hard taco shells

### Directions:

Preheat the oven to 400 degrees. Prepare meat as needed. Add taco seasoning if desired. Combine with the rest of the ingredients in a bowl and mix well. Spoon the taco meat mixture into the taco shells and place into a glass baking dish, standing up. Sprinkle cheese over the top of each taco. Bake for 15 minutes or until the cheese has melted and the tacos are heated through. Remove from the oven and top with additional taco condiments as desired.
